

Why 11.5.10?

Session Leaders

Karen Brownfield, Solution Beacon

Paul Cyphers, Solution Beacon

Release 11/Workshops

OAUG Connection Point 2005

June 13-16, 2005

www.solutionbeacon.com

Are you an OAUG Member?

Member Benefits include:

- **Advocacy** opportunities to influence Oracle on product enhancements, usability, new features, Oracle support, pricing and quality.
- **Knowledge** that showcases the latest trends and techniques used by industry leaders through our national and regional events and our publications, such as OAUG Insight magazine.
- **Communication** with other OAUG members worldwide through participation in OAUG committees, leadership positions, interaction with Oracle Corporation's user initiatives, frequent member surveys, and Oracle management briefings.
- **Education** through the hundreds of career-enhancing presentations in our conference paper database archive, as well as discounts to conferences and Oracle education.
- **Networking** with Oracle customers, industry experts, third-party software firms, and other Oracle Applications specialists through our Member Database and Online Vendor Directory.
