(BW) OAUG and Solution Beacon To Co-Host Third Release 11i Workshop in Dallas

Business Editors
(c) 2003 Business Wire.

ATLANTA--(BUSINESS WIRE)--May 8, 2003--The Oracle Applications Users Group (OAUG), the knowledgebase for Oracle(R) applications users, and Solution Beacon, a leading provider of expert-level resources to Fortune 1000 companies, government and education entities, announced today that they will co-host a workshop on Oracle's Release 11i on May 21-22 at The Guest Lodge in The Cooper Aerobics Center in Dallas.

The workshop is presented by OAUG and Solution Beacon to help Oracle users better manage the Oracle application environment delivered with the latest version of Oracle's Release 11i suite of applications.

"Since the introduction of Oracle's Release 11i, applications users have expressed strong interest in learning more about the upgrade," said Arthur Hunt, president of OAUG. "Our organization is co-hosting the workshop as part of our mission to provide year-round, educational benefits to users."

"We are very excited about co-hosting the event with OAUG," said Jeff Linden, president of Solution Beacon. "The Release 11i workshop is a great way to share information with Oracle applications users."

The topics to be discussed at the meeting include the concepts and architecture of Release 11i, installation, administration, maintenance and upgrade and migration planning.

The workshop is free to attend but space is limited. Those interested in attending the event or seeking additional information, should refer to OAUG's Web site
