Solution Beacon Welcomes Kandi Zastro

e

SEATTLE--(BUSINESS WIRE)--March 31, 2004--Solution Beacon is pleased to announce that Kandi Zastro is joining the team in the key role of Events Manager.

Kandi Zastro comes to Solution Beacon with years of experience as an Events Manager and Marketing Coordinator. She will be responsible for planning and managing the Solution Beacon/Oracle Applications User Group Road to Orlando(sm) tour as well as the many Regional and Local presentations Solution Beacon will be undertaking. In addition she will maintain the growing library of Solution Beacon presentations, papers and other intellectual capital. Kandi's expertise includes organizing, executing, and/or managing various aspects of regional and national conferences throughout the Oracle community. Since 1998, she has been the event coordinator of the NCOAUG conference, as well as a participant in the planning of the SCOUG/SCOAUG conferences, and a consultant to various other applications-focused user groups across the U.S. She is a member of the OAUG Exhibit Advisory Board. Kandi can be reached at kzastro@solutionbeacon.com or 815-557-6044

"Kandi has the experience and management skills we need to expand our participation in Oracle industry trade shows and conferences. Solution Beacon is well known for its strong presence in the Oracle User community and we believe that sharing knowledge is important. Kandi's focus on expanding and strengthening our participation in the Oracle community will enable us to maintain and fortify our presence as we continue to grow," explains Art Dowd, Solution Beacon's CEO.
