## **Solution Beacon, LLC and OAUG are Teaming up to Bring You the First Executive Breakfasts on the Road to Orlando**

### The Road to Orlando

DALLAS--(BUSINESS WIRE)--April 21, 2004--Solution Beacon and the Oracle Applications User Group is presenting a series of workshops across the United States. The Road to Orlando(SM) starts in Dallas on April 23, 2004 and is co-hosted by South Central OAUG. Kicking off the event will be the first Executives Round Table. Critical decision-makers in organizations running Oracle's E-Business Suite are invited to a Breakfast sponsored by Mercury Interactive to discuss "Maximizing Release 11i ROI".

The discussion will center around current hot issues in IT, such as how to increase the value of IT investment and will cover IT Governance, Business Service Management, IT/Business Alignment, Sarbanes-Oxley and more. This first Executive Briefing and Breakfast will be held at the Dallas Marriott Las Colinas on Friday, April 23, at 7:00 am. The main presentation will be given by John Stouffer of Solution Beacon. John Stouffer is one of the premier experts in the area of Oracle architecture, applications and databases. Following the presentation there will be a question and answer session. There will also be a short presentation by Mercury Interactive regarding how their products can help you maximize your investment in the Oracle E-Business Suite.
