Solution Beacon, LLC Announces New Chicago Practice with VLAD Group Partnership

NCOAUG Conference

CHICAGO--(BUSINESS WIRE)--Feb. 23, 2004--Solution Beacon has announced that it is expanding its Oracle Applications practices into the Chicago area with a new partnership with VLAD Group. Founded in 2001 by Sandra Vucinic, VLAD Group is a woman-owned, Chicago based business specializing in Oracle Applications database management, administration and architecture.

The Solution Beacon team is looking forward to expanding its Oracle Applications practice in the Chicago and Midwest area and Sandra Vucinic, who joined Solution Beacon in January 2004 will be responsible for that initiative. Sandra has many years of experience and contacts in the tight knit Chicago market. She has built her company, the VLAD Group, with a growing list of stable customers and will assist Solution Beacon in marketing efforts in Chicago and the North Central region.

Sandra has over ten years of experience with Oracle database administration specifically supporting Oracle Applications environments including installation, implementations, administration, maintenance, upgrades and remote support. Her focus is in areas of infrastructure planning, architecture design, review and support with emphasis on Oracle Applications implementations and upgrades.

For years Sandra has been presenter and panel member at OAUG and NCOAUG conferences. She was the Chair for the Database Special Interest Group presentation at the recent Oracle AppsWorld event in San Diego and continues to be active in the OAUG organization. For a second year Sandra will continue to serve on the Board of Directors for OAUG Database Special Interest Group and will be presenting at the Chicago-based NCOAUG conference in March. Sandra can be reached by email at svucinic@solutionbeacon.com or by phone at 630-202-1248.
